Located in Grand Forks in the heart of the Red River Valley, the University of North Dakota is the largest and most diversified institution of higher learning in a three-state region. One of only 47 public institutions with both a law school and a medical school, UND consistently ranks by most measures as one of the top 150 universities in the United States. Its nearly 13,000 students – including about 2,500 graduate students – come from every state in the union and more than 50 countries.

Spreading out from the banks of the scenic English Coulee, the 549-acre University of North Dakota campus has been nationally recognized for its landscaping and beauty. The 223 buildings demonstrate both a classic university-setting architecture blended with more modern-looking facilities in the

Center for Aerospace complex. UND's newest additions are its \$20 million Wellness Center, a \$20 million state-of-the-art residence hall and a \$20 million parking ramp.

With more than 193 fields of study and 2,938 courses, including an internationally recognized aviation and aerospace program, UND has a vast array of educational choices. The University is characterized by a solid foundation of the liberal arts surrounded by a constellation of professional programs, a manageable size, high-quality students and faculty, a varied curriculum, nine colleges and schools, a widely recognized program of graduate education and research, rich cultural resources, and an outstanding record of alumni support.

UND was named 14th in "The Top 25 Most Highly Entrepreneurial Undergraduate Universities" in the country by Forbes.com and The Princeton Review. Forbes.com also ranked UND in the top 20 "most wired campuses" for integrating technology into teaching, research and campus life. UND was named one of the top 70 colleges and universities by the Washington Monthly (2006). Its economic impact on the state of North Dakota and region is nearly \$1 billion.

However, the heart of the Grand Cities is downtown, which spans the Red River. Downtown features a large variety of options and events, from a Farmer's Market at the Town Square to fine dining.

**RALPH ENGELSTAD ARENA**

About the Arena .....6-7  
About Ralph Engelstad.....8

Since opening its doors on Oct. 5, 2001, the new Ralph Engelstad Arena has become widely regarded as arguably the finest hockey facility in the world. The premiere home to college hockey, the new Engelstad Arena has just about everything.

As soon as fans enter the doors, they know they are in the Fighting Sioux hockey arena.

Fans are greeted in the lobby by a pro shop featuring souvenirs of all kinds. Natural light from the two-story high ceiling atrium illuminates the lobby area.

The lobby also boasts a tribute to former Sioux greats. The NCAA championship trophies are on display, along with an historical photo selection and four video screens playing highlights from great Sioux seasons of hockey.

Throughout the arena are photos of the Sioux All-Americans. Interspersed are great historical photos which show the progression of Sioux hockey from 1929 when two games were played to Sept. 1946, when student John C. "Jamie" Jamieson was hired to coach the hockey team and led his 19-player squad to a 7-6-0 record. The photos lead the fans up to the present day coaches and players.

When fans enter the arena, whether in the bowl or above the suite level, they find distinctive touches of luxury. There are no bleachers in this arena. Each seat in the arena is Sioux-green leather and padded with cherry wood arms and a cup holder. Numerous refreshment stands also circle the main concourse and the upper level.

As fans look around the bowl, their eyes are attracted by the fascia ring, which is a television screen 900 feet long and three feet high. It runs all the way around the arena, above the suite level, and can show fans anything from hockey footage to advertisements.

At center ice, high above center ice, is a Daktronics scoreboard. The eight-screen video scoreboard shows game action, scores from around the country and in-game information. The four top screens are 16' x 12', the four bottom screens are 10' by 12'. The \$2 million dollar scoreboard weighs 30,000 pounds.

Looking high into the rafters at the north and south ends of the arena, fans will see the symbols of what has created the incredible tradition of the Fighting Sioux hockey program. At the south end, the 14 WCHA Championships banners, and at the north end the seven NCAA Championship banners. On the north and south walls toward the ceiling of the arena are the banners which represent the NHL teams for which Sioux players have gone on to play with.

The arena was built for fan enjoyment and spectacular views of the game. The boards surrounding the rink are a seamless, tapered glass that can flex up to three inches upon impact. Each seat in the rink has excellent site lines, with views of the scoreboard and the entire sheet of ice.

The main rink has a 200' x 85' surface with seating for approximately 11,500 fans. The practice rink is an olympic-sized rink measur-

## RALPH ENGELSTAD ARENA

The Ralph Engelstad Arena was the most visited tourist destination in the state of North Dakota in 2009, according to Midwest Living magazine's annual Best of the Midwest issue.

With 483,796 visitors annually, Engelstad Arena outranked Theodore Roosevelt National Park, which had long been seen as the state's main tourist destination.

Since it opened in October 2001, the Ralph has had about 3.5 million ticketed visitors.

ing 200' x 100'. The adjacent practice rink has seating for 400-500 spectators.

Opposing teams will enter the arena at the staging area. This area, located at ice level, between the practice rink and the main ice surface, will allow up to four buses to enter and park at one time.

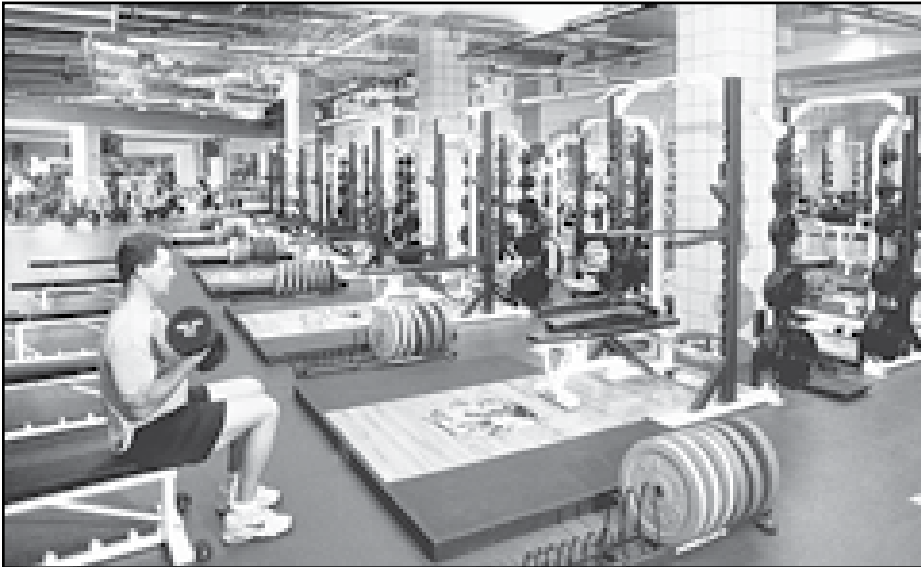

The Sioux training room, located directly across from the locker room, includes an exam room where X-rays can be taken. An underwater treadmill is located inside the training room. It can be used for therapy after injury and includes underwater cameras for monitoring a patient's progress. There is also a whirlpool for the players which can accommodate just about the entire team. The weight room, one of the most talked

about rooms in the arena, will be the envy of just about any team, in any sport, in the nation. The 10,000 square foot world-class facility has 10 platforms with 10 power stations, 24 weight machines, 30 circuit machines, and 30 aerobic pieces (bikes, treadmills, and stair climbers).

The room has 20,000 pounds of weights in it. Included in the room is an 1,800 square foot plyo floor, spring mounted for plyometric workouts. Eight television monitors are placed throughout the room to take athletes step-by-step through their workout programs.

On June 26, 2003, with a unanimous vote by the North Dakota State Board of Higher Education, Ralph Engelstad Arena (REA) and the University of North Dakota started to move forward with construction plans to add the Betty Engelstad Sioux Center to the current REA athletic complex.

The new facility, which is 50,000 square feet and located to the west of the REA Olympic practice rink, opened in August 2004. It is the new home of the Fighting Sioux volleyball and men's and women's basketball teams.

The Betty Engelstad Sioux Center serves as both the practice facility and home court for the volleyball team, with seating for 4,000. The arena floor allows for up to four regulation practice courts. Other spaces exclusive to volleyball will be a players/parents lounge, study classroom, locker room, team room, training room, equipment room and the coaches' offices.

For the basketball teams, the facility serves as a practice facility and site for the majority of the teams' non-conference games. Most of the conference basketball games will be played in the main facility at REA.

Similar to volleyball, the structure will allow for four regulation basketball courts. The basketball teams have their own players/parents lounge, study classroom, locker room, team room, training room, equipment room and the coaches' offices.

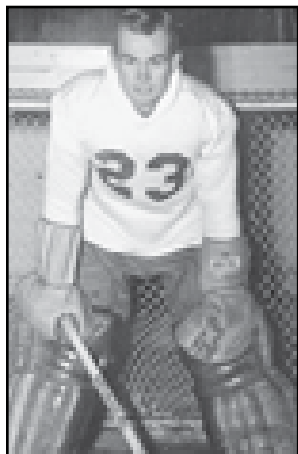

The Fighting Sioux locker room contains 30 stalls, and also features a separate locker area for street clothes.

**V**eteran gaming executive, entrepreneur and humanitarian Ralph Engelstad is the man behind the finest college hockey facility in the country, the arena which bears his name.

Even though he was an intensely private, shy and reticent individual, Ralph was one of the largest philanthropists in America, and he shunned any recognition for his good deeds.

After 25 years in the "old"

Ralph Engelstad Arena, Ralph built a \$104 million hockey arena for the University of North Dakota (now recognized industry-wide as the top hockey arena in the area) in 2001-02. Recently he built and donated a \$10 million hockey arena to his hometown, Thief River Falls, Minnesota.

In 1998, he donated the General George Patton papers, valued at \$1.45 million to the University of North Dakota Charles Fritz Library. In 2002, he purchased 2,000 wheelchairs for North Dakotans through the Wheelchair Foundation. He also donated the remaining funds needed to complete statuary for the celebration of the Lewis & Clark bicentennial.

Ralph and wife Betty have also contributed generously to charities that benefit children, veterans, seniors and animal causes. The Engelstad family is recognized as one of the top 10 gift givers of all time to higher education in America.

In 1998, when announcing the gift of the hockey arena to the University of North Dakota, where he played hockey during college, he said, "Life is full of its ups and downs in business and personally. I have experienced both, but I have been very fortunate to land on the upper side more times than on the bottom, and it is my desire to share a portion of my good fortune with the UND Hockey Team."

Ralph Engelstad was one of five children born to Christian and Madeline Engelstad in Thief River Falls, Minnesota and the grandson of a Norwegian immigrant who came to that area to farm. Early in his life, Ralph demonstrated that he had the drive and attitude to achieve great things.

After working his way through UND with odd jobs and some assistance from a hockey scholarship, Ralph graduated in 1954 with a degree in Business. He soon married his sweetheart, Betty Stocker, and then started his own construction company.

Through his tremendous work ethic, determination and initiative, Ralph began achieving the "American dream." He promised himself that he would become a millionaire by age 30; instead, that dream came true one year earlier while he was still a contractor in Grand Forks.

In 1959, Ralph moved to Las Vegas where his construction company secured government contracts to build FHA homes. Further demonstrating his entrepreneurial successes, he bought then barren land surrounding the North Las Vegas Air Terminal, which he later sold to Howard Hughes.

In 1971, using the profits from his land sale to Howard Hughes, Ralph purchased the nine-acre Flamingo-Capri Motel on the Las Vegas Strip. Acting as his own contractor, he built the Imperial Palace, which opened in 1979 with 650 rooms.

Today, the Imperial Palace ranks as the 2nd largest sole proprietorship hotel in the world and boasts 2,700 rooms and 2,600 employees. In 1997, Ralph expanded his casino holdings by building his second Imperial Palace in Biloxi, Mississippi.

The term "innovator" was often applied to Ralph throughout his varied career. For instance, his love of automobiles and racing led him to develop the famed Las Vegas Motor Speedway, which he later sold. He is known internationally for his tremendous car collection, showcased in first-class museums in both the Las Vegas and Biloxi hotels. And when his fleet of antique automobiles needed restoring, he employed 50 Nevada prisoners who accomplished the job while honing their skills for future classic car work.

Ralph introduced several "firsts" in the hotel/casino industry. In 1993, he opened the first medical center in a casino for employees, the Nevada Resorts Medical Center, now the UMC Medical Cen-

ter. He introduced the first drive-through Race & Sports Book in 1989, and was the first to offer airline baggage check-in service at the hotel in 2000 (unfortunately, this popular Las Vegas service was discontinued after the events of Sept. 11, 2001).

Perhaps one of Ralph's greatest contributions as a humanitarian was his devotion to the handicapped. He has received many state and national awards for hiring the disabled, and approximately 13 percent of his Imperial Palace employees have some form of disability.

In recognition of his unending contributions to the handicapped, Ralph was named "Employer of the Year" by the Nevada Governor's Committee on Employment of People with Disabilities in 1987 and 1989. In 1991, he received the prestigious "National Employer of the Year" award from the President's Committee on Employment of People with Disabilities.

Among other awards, he was also recognized as "Employer of the Year" by the Southwest Business, Industry and Rehabilitation Association and received the "Humanitarian of the Year Award" from the International Gaming & Business Exposition.

His latest recognition came in 2002 when he was inducted into the North Dakota Entrepreneur Hall of Fame and honored for his entrepreneurial success in the construction, casino, entertainment and antique auto industries.

Engelstad passed away on Nov. 26, 2002, after a valiant battle with cancer. He was 72.

Throughout his memorable career, Ralph had two mottos for living that reflected his ambition and drive: "The harder I work, the luckier I get"...and "No dream comes true until you wake up and go to work."

UND athletics prides itself on the academic excellence of its student-athletes, whose athletic achievements are matched by academic distinction on a yearly basis.

The new athletics study center, which opened in April 2008, serves as an academic center for student-athletes and is conveniently located in the Hyslop Sports Center.

Academic services director Amanda Neubauer oversees the study center, which features 12 state-of-the-art, desktop computers and provides an excellent location for student-athletes to utilize between classes for valuable daytime study. The academic center is also available on demand to student-athletes for evening study table.

UND's student-athletes also have access to a variety of laptop computers for use on road trips, further emphasizing a department-wide commitment to academics.

## ALL-TIME ACADEMIC ALL-AMERICANS

A longtime hallmark of Fighting Sioux athletics has been academic excellence.

UND established its academic reputation with 65 all-time Academic All-Americans at the Division II level, fourth-most among DII schools.

With that foundation to build upon, UND's student-athletes enjoyed arguably their finest year in the classroom in 2008-09, earning a school-record six Academic All-America honors and a pair of NCAA Postgraduate Scholarships:

Former offensive lineman Mitch Braegelmann earned consecutive Academic All-America first team honors in 2007 and 2008.

*"Being part of this family means a lot. You are asked to carry on a winning tradition that isn't always an easy task. You must pride yourself on hard work, unselfish play, and a passion for winning."*

— Former Sioux captain Chris Porter

**Nate Baukol**  
Director of Strength and Conditioning

### MISSION

It is our mission to physically and mentally prepare the student-athlete for the rigors of collegiate athletics, by implementing professionally designed, scientifically sound training programs, designed specifically to reduce the incidence of injury and help each team and student-athlete reach their full athletic potential.

### PHILOSOPHY

We believe that strength and conditioning is crucial to the complete development of the student-athlete. The philosophy of our strength and conditioning program is based on the belief that what occurs in the weight room and field transfers to the playing surface. We train sport specifically with the goal of enhancing athleticism. We also believe in the importance of work ethic, attitude, accountability and mental toughness and that these qualities can be developed and enhanced through our strength and conditioning program.

At the University of North Dakota, one program, functioning behind the scenes, but which should not be taken lightly, is the strength and conditioning program. The strength and conditioning program at UND is among the finest in Division I and vital to the success of all UND athletic teams. The strength and conditioning staff commits themselves to the development of size, strength, power, speed, agility, conditioning, and body composition of each student-athlete. The goal of the strength staff is to develop the athlete and team to reach their maximum potential throughout their career while staying injury free.

Nate Baukol, director of strength and conditioning, oversees the program and facilities. Baukol has three full-time assistant coaches and one graduate assistant coach to assist him.

Together they direct and monitor the training of over 500 student-athletes in 20 sports at UND. UND also boasts some of the finest strength training facilities around. The facilities include the Ralph Engelstad Arena weight room, the Memorial Stadium weight room, and the Hyslop Sports Center weight room.

Training has become a year-round activity, with a student athlete spending as much time on physical development as any other part of their sport throughout the year. Student-athletes follow either off-season or in-season programs, which are individualized specific to the athlete and sport. Off-season programs are five days a week, summer months included.

Each athlete receives a comprehensive summer training manual to follow, given that a member of the strength staff won't be supervising them. In-season programs are typically 45-minute sessions, two to three days per week, supervised by the strength and conditioning staff.

The Fighting Sioux volleyball program trains at the Betty Engelstad Sioux Center's Brown and Bender Performance Center, which was graciously donated by Mark Brown and David Bender during the 2005-06 season.

**Steve Westereng**  
Director of Sports Medicine

One of the unfortunate aspects of athletics is that injuries do occur. However, every student-athlete from UND athletic teams are under excellent care thanks to the UND Division of Sports Medicine and its umbrella of staff, facilities and training.

With a staff of nine faculty athletic trainers, two graduate assistant athletic trainers and 30 athletic training students headed by director of sports medicine Steve Westereng, UND student-athletes are in good hands, returning them quickly and safely to participation.

The UND Division of Sports Medicine was formed in 1990. Additionally, the bachelor of science in athletic training degree and the UND Center for Sports Medicine was founded. The athletic training education program was the first program in the nation to be placed directly in a school of medicine and is housed within the Department of Family Medicine, combining the efforts of the UND Athletic Training program and the UND School of Medicine and Health Sciences.

UND's progressive thinking makes the institution a leader in the field of athletic training. Moreover, the program's affiliation with the School of Medicine helps both the athletic training student and the student-athlete. Completion of the bachelor of science in athletic training allows the student to sit for the board of certification exam to become a certified athletic trainer (ATC).

The student-athletes also benefit from having a wealth of competent individuals getting them back into action.

In order to be accepted into the athletic training program, which received a seven-year accreditation in 2001 (*note: UND will receive word in August 2008 of re-accreditation*) from CAAHEP, a student must complete 100 hours of observation, fill out a formal application, and have a minimum GPA of 2.75.

The Division of Sports Medicine also has an outpatient facility, the UND Center for Sports Medicine, which specializes in rehabilitation of orthopedic injuries. UND student-athletes, as well as the general public, utilize this facility to decrease pain, increase strength, and improve range of motion of injuries. Many of the injuries seen in the Center for Sports Medicine are significant, such as pre- and post-surgical issues. The center is staffed by Cathy Ziegler, PT/ATC, and Robin Tracy, PT/ATC, who have experience with high school, college, and professional athletes.

Whether it is reading to area school children or lending their time to countless charitable organizations or providing disaster relief, UND's student-athletes pride themselves on their community involvement and have long been looked upon as pillars within the UND and Grand Forks communities.

# ATHLETICS DIRECTOR

## Brian Faison

Brian Faison begins his second year as athletics director at the University of North Dakota. Faison assumed his duties at UND in May of 2008.

Faison's first year was a busy one, leading Fighting Sioux athletics through its first year of transition to NCAA Division I status for all of its sports programs. He secured conference membership for 16 of UND's 18 sports in the Great West Conference, restructured the athletics department and enhanced UND's statewide profile through community outreach initiatives and an expanded Fighting Sioux Sports Network.

North Dakota student-athletes continued their tradition of academic excellence: 12 student-athletes were named academic all-district and a school-record six were named Academic All-Americans by ESPN the Magazine; two student-athletes received NCAA postgraduate scholarships and 80 student-athletes received academic all-conference honors.

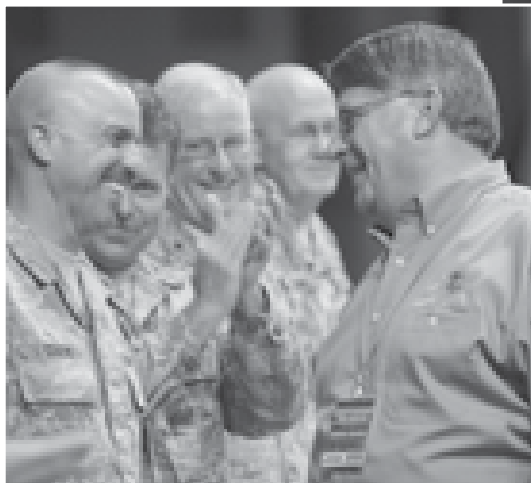

Alumni and fan support continued to grow: annual giving to the Fighting Sioux Club set a record; football had the largest opening day crowd in the history of the program and set a single-season attendance record; women's hockey finished seventh in the nation in average attendance; and men's hockey finished second in the nation in average attendance.

Competitively, North Dakota teams also enjoyed outstanding seasons: Men's hockey won the MacNaughton Cup, its league-leading WCHA championship; women's basketball went undefeated at home on its way to an 18-win season; men's basketball had its first winning season in three years and volleyball went from a record of 6-23 the previous year to 24-8 last season.

Prior to joining UND, Faison served as assistant vice president for athletics development (2004-07) and director of athletics (1999-04) at New Mexico State University. Before that, he served as the director of development for the National Children's Cancer Society (1995-1999). Faison gained experience in Division I administration as the director of athletics at Indiana State University (1988-1995), assistant athletics director for development at the University of Louisville (1984-1988) and assistant athletics director for promotions and fund raising at Illinois State University (1979-1984). He also had stints as the assistant manager for athletic public relations at the University of Missouri (1978-1979) and assistant director for alumni activities at the University of Missouri (1974-1978).

Faison received his bachelor's degree in 1972 from the University of Missouri and is also a 1997 graduate of the National Planned Giving Institute.

Faison and his wife, Donna, have three sons: Jonathan, Matthew and Bradley.

(Above) Brian Faison presents former track and field standout Heidi Evans with her national championship ring.

(Left) Brian Faison greets servicemen as they are honored at Military Appreciation Day celebrated during the Aug. 28, 2008 UND football season opener.

Daniella Irle serves as UND's associate athletics director of internal operations and senior woman administrator.

Irle came from the Tulane University, where she served as the assistant athletics director of business and student services.

Prior to that appointment, Irle spent three seasons as the head coach of the Tulane women's swimming and diving team, restarting the program after a 13-year hiatus. She was named Conference USA Coach of the Year in 2004-05 and 2005-06.

**Daniella Irle**

Irle also spent 10 years as the Fresno State swimming and diving coach. The Western Athletic Conference Coach of the Year in 1993 and 1995, 79 of her swimmers broke Fresno State school records.

Sean Johnson serves as the associate athletics director for external operations for UND athletics.

Johnson most recently was the associate athletics director of external operations and sports information director at the University of Texas A&M-Kingsville.

Johnson also spent five years at New Mexico State University, serving as sports information director, and in the final year and half, the associate athletic director.

Johnson in a 1983 graduate of the University of Missouri. His other stops have included Lincoln University, the University of Missouri-St. Louis, the University of Arkansas-Little Rock, Angelo State, the University of Idaho and the University of North Texas.

Scott Herring is UND's associate athletics director and chief financial officer.

Herring most recently served as vice-president of basketball administration with the NBA's Orlando Magic, for which he was responsible for all day-to-day business and financial matters within basketball operations, as well as the team's salary cap and player contract issues.

**Scott Herring**

Associate Athletics Director, Chief Financial Officer

Mike Schepp serves as the associate athletic director for facilities and operations.

Schepp is in his 13th year with the University of North Dakota athletic department. He started his first tenure at UND in 1994, starting as the hockey equipment manager under head coach Dean Blais. He served in that role until 1997, when he took a similar position at Colorado College.

**Mike Schepp**

Associate Athletics Director, Operations

Schepp returned to UND in 2000 as the hockey operations manager, and in 2002 assumed the role of director of hockey operations. In 2005 he was promoted to assistant athletic director, operations, and assumed his current role in 2009.

## DAVE HAKSTOL

Head Coach

**Years at UND:** 6th season as head coach

**Hometown:** Warburg, Alberta

**Alma Mater:** North Dakota (1996)

In just five seasons as head coach at the University of North Dakota, Dave Hakstol has established himself as one of the most accomplished and well-respected bench bosses in NCAA hockey.

Already a five-time finalist for the prestigious Spencer Penrose Award as the national coach of the year, Hakstol guided the Fighting Sioux to the NCAA Frozen Four in each of his first four seasons and last year led UND to a MacNaughton Cup championship as Western Collegiate Hockey Association regular season champions.

The Fighting Sioux went 24-15-4 overall and 17-7-4 in conference play in 2008-09 en route to their WCHA-leading 14th league championship. Hakstol was recognized as WCHA Coach of the Year for the first time in his career.

UND has moved up in the WCHA regular season standings in each of Hakstol's five seasons, from fifth to fourth to third to second to first last season.

Hakstol joined rare company when he took the Sioux to the Frozen Four in his first four seasons as a collegiate head coach, joining Jack Parker and Doug Woog as the only three coaches to accomplish that feat.

In Hakstol's first season (2004-05) as head coach, he led a team with nine seniors to the Frozen Four. In his second season (2005-06), he led a team with 13 freshmen and just two seniors to the Frozen Four.

In his third season, Hakstol took UND to the Frozen Four yet again, and sophomore forward Ryan Duncan won the Hobey Baker Memorial Award as the best player in college hockey.

In 2007-08, his fourth season, Hakstol led UND to a 28-11-4 overall record and 18-7-3 WCHA mark (second place).

In his five seasons, Hakstol has compiled a record of 130-71-19 (.634) overall and is already the fourth-winningest coach in Sioux history, trailing only John "Gino" Gasparini (392 wins), Dean Blais (262) and Rube Bjorkman (149).

A key in Hakstol's success has been surrounding himself with an outstanding coaching staff. His first two seasons, he was joined by associate head coach Brad Berry and assistant coach Cary Eades. Eades has won championships on every level at which he has played or coached.

Berry's outstanding work at UND resulted in him accepting an assistant coach position in the NHL's Vancouver Canucks organization in the summer of 2006.

To fill the vacancy created by Berry's departure, Eades was promoted to associate head coach and Hakstol hired former Sioux and NHL player Dane Jackson as an assistant coach.

Jackson, who had an 11-year career as a professional hockey player, has become an integral part of the coaching staff the past two seasons by working individually with each Fighting Sioux player on developing their skills.

**Postseason Excellence**

The trademark of the Fighting Sioux during Hakstol's first five seasons has been UND's ability to play its best hockey at the most crucial time of the year – in the playoffs.

During his first five years, Hakstol has led the Sioux to an overall postseason record of 25-12 (.676) that includes a 16-7 WCHA playoff record and 9-5 NCAA playoff mark. UND's 16 WCHA playoff wins the last five seasons are more than any other WCHA team and the Sioux have advanced to the NCAA postseason nine straight years, tied for the second-longest current streak in the nation.

**Player Development**

UND has developed a reputation for doing an outstanding job in preparing players for professional hockey careers and careers beyond hockey. In 2008-09, 17 former Fighting Sioux played in the National Hockey League, the program's most since the 1993-94 season. Thirteen of those players were coached by Hakstol during his nine seasons on the UND staff.

In the last three seasons alone, seven of Hakstol's former UND players have debuted the NHL the year after completing their collegiate careers.

Last season, T.J. Oshie and Chris Porter of the St. Louis Blues and Taylor Chorney of the

Edmonton Oilers made their NHL debuts in the year following their departures from UND.

In 2007-08, Jonathan Toews made the jump directly to the NHL's Chicago Blackhawks after playing two years at UND. He was a finalist for the NHL's Rookie of the Year Award and in the summer of 2008 was named the captain of the Blackhawks, becoming the third-youngest captain in NHL history. Toews was 20 years and 79 days old when he assumed the role as Chicago's captain. Last year, Toews captained the Blackhawks to the Western Conference finals.

Defenseman Brian Lee debuted with Ottawa in 2007-08 after playing two seasons for UND. Two players who completed their Fighting Sioux careers in 2005-06 – Travis Zajac and Drew Stafford – made their NHL debuts the very next season (2006-07).

In the last six seasons, 31 UND players have been selected in the NHL Entry Draft, including six in both the 2007 and 2008 NHL Drafts, and two more in the 2009 draft.

UND men's hockey players are also outstanding students. In 2008-09, 11 Sioux were named to the WCHA All-Academic team, including a league-leading five who were honored for the third time. One of those players, junior defenseman Chay Genoway, was named to the *ESPN the Magazine* Academic All-America third team.

In 2007-08, 10 UND men's hockey players earned WCHA All-Academic honors, most in the league. In 2006-07, 11 Fighting Sioux were named to the WCHA All-Academic team, tying for the WCHA league high.

**HAKSTOL IN THE POSTSEASON**

Since Dave Hakstol was named UND's head coach, the Fighting Sioux lead all WCHA teams in conference playoff wins and overall playoff wins over the past five seasons. UND also leads all NCAA DI programs in number of Frozen Four appearances during Hakstol's tenure:

## A Prestigious Coaching Position

Hakstol, 35 years old when he was named UND's head men's hockey coach on July 9, 2004, is just the 15th head men's hockey coach in school history and only the fourth Fighting Sioux head coach in the past 36 years. Hakstol, a Sioux player from 1989-92, is also just the fifth former UND player to also become head coach at North Dakota.

Taking over a tradition-rich program that is synonymous with the word "excellence" was no small task, but Hakstol's background prepared him for the challenge. Prior to taking over as UND's head coach, the former Sioux captain was a member of Dean Blais's coaching staff for four seasons and in that stint helped coach the Sioux to a 101-47-19 (.662) overall record and 63-33-16 (.634) WCHA record.

During Hakstol's four years under Blais, UND won two WCHA titles, made three NCAA appearances and finished as the 2001 national runner-up.

Named a UND assistant coach on July 1, 2000, Hakstol was elevated to associate head coach in December 2000, and he served as the team's recruiting coordinator in his four seasons working under Blais.

In that capacity, Hakstol played a vital role in helping attract top-caliber student-athletes to UND. Eleven UND players or recruits were drafted by National Hockey League teams while Hakstol and former associate head coach Brad Berry were Sioux assistants.

## 1998 USHL Coach of the Year

Prior to joining the UND staff on July 1, 2000, Hakstol spent four seasons (1996-2000) as the general manager and head coach of the Sioux City Musketeers of the United States Hockey League, posting winning seasons in his last three seasons. Overall, Hakstol had a 101-109-13 record with the Musketeers. He was named the USHL Coach of the Year in 1997-98, when he led Sioux City to a 32-21-3 record.

While coaching at Sioux City, Hakstol also coached the 1998 USA/USHL hockey team at the IIHF Four Nationals Cup in Oslo, Norway, and he was the head coach of the Central District team (USA Hockey) at the National Select 16 Festival in Ann Arbor, Mich., in 1998.

In five professional seasons, Hakstol played in 250 games, scoring 12 goals and recording 37 assists. He also accumulated 455 penalty minutes.

As a defenseman on the Sioux hockey team from 1989-92, Hakstol was a three-year letterwinner and served as team captain from 1990 to 1992. He played in 107 games for UND, scoring 10 goals and adding 36 assists for 46 points. He had 77 penalties for 191 minutes.

## CARY EADES

Associate Head Coach

**Years at UND:** 12th season

**Hometown:** Burnaby, British Columbia

**Alma Mater:** North Dakota (1984)

Cary Eades is in his 12th season on the Fighting Sioux coaching staff, having served two different stints under head coaches Dave Hakstol and John "Gino" Gasparini.

Eades was promoted to associate head coach prior to the 2006-07 season after serving as an assistant in his first year.

Involved in all aspects of the Sioux program, Eades' responsibilities with UND include coaching the power play, an area in which he has a great deal of expertise as both a coach and player. In 2007-08, UND led all WCHA teams in overall power play percentage (23.9 percent), and the Sioux finished second nationally in NCAA power play percentage.

In addition to his UND coaching duties, Eades is heavily involved with USA Hockey. He has worked numerous national festivals and in August 2006, he was named head coach for USA Hockey's Under-17 team that participated in the Three Nation's Tournament in Rochester, N.Y.

Prior to joining the UND staff in 2004, Eades spent the previous 11 seasons (from 1994 to 2004) as head coach of the boys hockey team at Warroad (Minn.) High School. A former UND player, Eades led Warroad to three Minnesota state class "A" championships and posted a 237-62-6 (.787) overall record.

This is Eades' second stint on the UND coaching staff. Eades previously was an assistant coach for the 1987 NCAA and WCHA champion Sioux while serving as a member of former UND head coach Gino Gasparini's staff for seven seasons (1984-91).

Prior to that, Eades played hockey at North Dakota for four seasons (1978-82), playing on two UND national championship teams (1980 and 1982) and three WCHA championship teams (1979, 1980, 1982). He was UND's team captain his senior season (1981-82).

Eades played in 144 games for the Sioux, scoring 85 goals and 79 assists for 164 points. His 85 career goals are tied for ninth on the all-time Sioux list. UND compiled a 117-47-3 record during Eades four years of college. After his college playing career, Eades played professional hockey for two seasons in the St. Louis Blues organization.

At Warroad, Eades led his team to seven Section 8 championships and two state runnerup finishes in addition to the three state championships. He was the 1996 Minnesota State High School Coach of the Year and a three-time Section 8 Coach of the Year.

Prior to taking over at Warroad, Eades spent two seasons as general manager and coach of the Dubuque Fighting Saints of the United States Hockey League. The Saints qualified for the national junior tournament both seasons under Eades and were the 1993 national junior champions. At Dubuque, Eades posted an overall win/loss record of 86-46-7 (.647).

Eades' family includes his wife, Dana, and his children, Alexandra (16), Edward (13) and Erica (11).

## 2009-10 SEASON PREVIEW

2009-10 Outlook.....	38-40
Roster .....	41-42
Returning Player Profiles .....	43-57
Newcomer Profiles.....	58-62

**T**he Fighting Sioux men's hockey team enters the 2009-10 season with one eye on defending its MacNaughton Cup as WCHA champion and the other on a fifth NCAA Frozen Four berth in the past six seasons.

However, before either of those goals can come to fruition, one key question must be answered: Who will fill the shoes of UND's eight graduated seniors?

Replacing a senior class is hardly exclusive to UND. It is a fact of life for every team in the nation. But head coach Dave Hakstol is replacing more than just goals and assists; he is replacing a group of young men that won 105 games and advanced to three Frozen Fours, often relying more on savvy than skill.

"I think that is the big challenge for us," said Hakstol. "The outgoing class brought a lot of different things to the table, a lot of intangibles that helped win hockey games. The experience those guys brought to our team was invaluable.

"How quickly our sophomores and juniors can step up into those leadership roles is the big question we have to answer."

The 2009-10 Sioux will not be lacking in talent. Fifteen National Hockey League draft picks dot the roster, one that includes 15 returning letterwinners. UND also welcomes an incoming class of 10 freshmen, including last season's Alberta Junior Hockey League rookie of the year and United States Hockey League playoff most valuable player.

"As young as we are," Hakstol said, "I think we have a great mix of energy and excitement that youth brings, combined with great experience and character in our returning players.

"This is a team that I'm very excited about. We're looking forward to getting into the process of building the team throughout the year."

### BETWEEN THE PIPES

After an early transition period as a freshman, **Brad Eidsness** (Chestermere, Alberta) quickly established himself as one of the top goaltenders in the WCHA, leading the conference in victories and narrowly missing out on the league's goaltending title. He also became college hockey's "iron man," starting the final 33 games of the season.

"I thought he handled everything in a very professional way," Hakstol said. "Brad has proven he can play a lot of minutes at this level. His challenge is to elevate his game from his freshman year consistently throughout the season."

Although Eidsness thrived with a heavy workload, earning all-conference and all-rookie honors, Hakstol sees freshman **Aaron Dell** (Airdrie, Alberta) easing Eidsness' burden.

"I'm sure first and foremost on Aaron's mind is to take some of those minutes and challenge for the No. 1 job," Hakstol said.

"We brought Aaron here for a reason. Depending on the transition period, I think he's capable of pushing for minutes every week."

Freshman **Tate Maris** (Denver, Colo.) was added to the team late in the summer and will complement Eidsness and Dell.

*Brad Eidsness was named to the All-WCHA third team and the WCHA All-Rookie team after leading the conference in victories as a freshman.*

*All-American and WCHA Defensive Player of the Year Chay Genoway will captain the Sioux in 2009-10.*

### ON THE BLUELINE

The Sioux return five defensemen from last season in senior **Chay Genoway** (Morden, Manitoba), juniors **Derrick LaPoint** (Eau Claire, Wis.) and **Jake Marto** (Grand Forks, N.D.) and sophomores **Ben Blood** (Plymouth, Minn.) and **Corey Fienhage** (Apple Valley, Minn.).

Genoway was the group's workhorse, anchoring UND's power-play and penalty kill units while regularly logging the most minutes on the squad. One of the top offensive defensemen in the country, he also collected a career-high 32 points.

After a season in which he was named a second team All-American and the WCHA Defensive Player of the Year, Genoway will wear the captain's "C" in 2009-10.

"Chay is not only one of the most dynamic players in the country," Hakstol said, "he's also one of the most competitive.

"That should serve us well in the leadership role he'll play."

Marto broke out as a top WCHA defenseman last season, particularly down the stretch, picking up all of his career-high 17 points over the final 29 games.

"Jake seems to be the guy on our blueline who doesn't garner a lot of attention," Hakstol said. "But he is very well-respected as a leader off the ice and his value on the ice in all situations does not go unnoticed by his teammates."

Junior Derrick LaPoint returns as one of UND's top defensemen and penalty killers.

LaPoint emerged as a reliable defenseman as a sophomore last season and had cemented himself as one of UND's top penalty killers.

A season-ending injury suffered in February derailed LaPoint's season, but Hakstol expects him to pick up right where he left off.

"Derrick is the ultimate defenseman in terms of efficiency in all areas of the game," Hakstol said. "He also possesses one of the best sticks in college hockey."

Much like teammates Marto and LaPoint, Blood showed marked improvement as the season went on and ended up leading the Sioux with a +11 plus/minus rating, a number that also paced all WCHA rookie defensemen.

"Ben is ready to be a top-3, top-4 defenseman for us and that's what we expect out of him," Hakstol said of the 6-4, 220-pound Blood.

"We expect him to be a physical leader, a leader in all defensive situations and bring a real tone and poise to our blueline."

Fienhage saw limited playing time amidst a veteran defensive corps, but Hakstol believes the 6-3, 215-pound Fienhage is not only ready, but hungry to step into a significant role.

New to the fold are three talented freshmen in **Joe Gleason** (Edina, Minn.), **Andrew MacWilliam** (Calgary, Alberta) and **Ryan Hill** (Hermantown, Minn.), each of whom brings a different skill set to the table.

Gleason, according to Hakstol, possesses "some of the best skating ability of any defenseman coming into the league this year."

MacWilliam, who checks in at 6-foot-2 and 213 pounds, plays with an edge and a physical presence.

Hill is a solid defensive defenseman who is constantly pushing himself to improve and brings what Hakstol describes as a "great level of character" to the locker room.

With five returning veterans and three talented freshmen, Hakstol likes his blend on the blueline.

"We have a couple of offensive guys that can bring the puck and bring a real skill level offensively," Hakstol said, "and we have a bunch of guys that bring size and physicality.

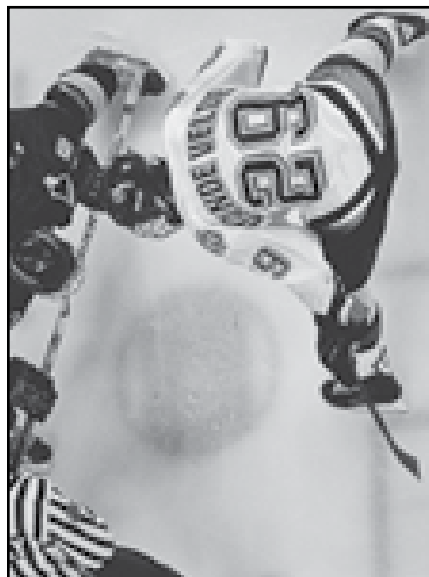

"What I'm looking for out of the big guys is a higher level of physicality. We need to be tougher to play against and we need more of a mean streak."

## UP FRONT

UND relied on a balanced scoring attack in 2008-09, with 13 players scoring at least 17 points. With the graduation of scoring leader and 2007 Hobey Baker Award winner Ryan Duncan, the scoring-by-committee approach will again be front and center.

"We have a lot of people to do that (provide scoring) and who will get the opportunity," Hakstol said.

One player UND will lean heavily on is senior assistant captain **Chris VandeVelde** (Moorhead Minn.), who elected to return for a final season despite the opportunity to begin his professional career with the NHL's Edmonton Oilers.

Senior forward Chris VandeVelde is UND's top returning scorer after reaching career highs in goals (18) and points (35).

Big things are expected from sophomore Ben Blood, who led UND in plus/minus as a freshman.

The 6-2, 207-pound VandeVelde is poised for a dominant season after scoring a career-high 18 goals and 35 points last season.

"Chris is one of, if not the top, power forwards in the country," Hakstol said. "Chris is coming back with some real goals individually and team-wise and I expect to see No. 29 being driven toward those goals."

Hakstol added that VandeVelde often turned in dominant late-season performances despite playing with a significant injury over the final six weeks of the season.

"Through some tough physical times, he grew an awful lot as a player down the stretch," Hakstol said. "I see a young man who wants to solidify himself not only in the WCHA, but at a national level.

"The sky is the limit for Chris."

To aid VandeVelde in the scoring effort, Hakstol cites the likes of juniors **Evan Trupp** (Anchorage, Alaska) and **Brad Malone** (Miramichi, New Brunswick), along with sophomores **Jason Gregoire** (Winnipeg, Manitoba), **Brett Hextall** (Manhattan Beach, Calif.) and **David Toews** (Winnipeg, Manitoba) as players capable of elevating their offensive games.

Trupp scored a career-high 20 points last season and has shown flashes of being a game-breaker.

"Evan can be one of the most dynamic players in the country," Hakstol said. "He needs to stay healthy and raise his consistency level. If he does that, he'll be a high-impact player in the

*Junior forward Evan Trupp will be expected to be a significant offensive contributor in 2009-10.*

WCHA this year.”

The 6-2, 210-pound Malone spent the bulk of his first two seasons developing as a reliable two-way forward in a checking role. After a strong showing in the playoffs last season, Hakstol says this may be Malone’s “breakout year.”

“Now it’s time for his natural ability, his hockey sense, his playmaking and goal-scoring ability (to emerge),” Hakstol said. “You’re going to see Brad burst onto the scene in the WCHA.”

Gregoire quietly put together one of the top freshman seasons in the country last year, establishing himself as a strong three-zone player.

“There are very few weaknesses to Jason’s game,” Hakstol said. “He’s able to do everything well. He seems to go about his business in a quiet way but at the end of the night he’s had a big impact on the game.”

It didn’t take long for Hextall to take his place as a fan favorite, one who is equally adept at irritating the opponent as he is scoring or setting up a key goal. He finished his freshman campaign with 12 goals and 91 penalty minutes.

“Brett is a skilled player who is extremely difficult to play against,” Hakstol said. “He is highly competitive and hates to lose, but his game is truly mature beyond his years.”

Toews, according to Hakstol, has the tools to be an offensive contributor after an up-and-down freshman campaign that included injury and inconsistency.

“David is a player who we foresee stepping into a large role for us,” Hakstol said. “He is coming off of a real good summer.”

Also returning is senior assistant captain **Darcy Zajac** (Winnipeg, Manitoba), arguably one of the most underrated players in the conference.

A top penalty killer and faceoff man, Zajac is UND’s active leader in games played (125) and the Sioux have never lost when he scores a goal (13-0-2).

“The consummate professional,” Hakstol said. “Darcy is a guy that will provide tremendous leadership. As a senior, I expect him to have his best offensive season, all the while continuing to be one of the top two-way forwards in the WCHA.”

Junior **Brent Davidson** (Morden, Manitoba) and sophomore **Mario Lamoureux** (Grand Forks, N.D.) both emerged as valuable role players in 2008-09 and will push for increased playing time.

Hakstol describes Lamoureux as “a pit bull” on the ice who will provide whatever the team needs. Davidson, according to Hakstol, has “proven what Sioux hockey is all about” and is on the brink of a breakthrough season.

Five highly-decorated freshman forwards will also be in the hunt for significant minutes this season: **Brett Bruneteau** (Omaha, Neb.), **Michael Cichy** (New Hartford, Conn.), **Corban Knight** (High River, Alberta), **Danny Kristo** (Eden Prairie, Minn.) and **Carter Rowney** (Sexsmith, Alberta).

*Sophomore forward Mario Lamoureux had three goals and three assists in 24 games.*

Cichy, Knight and Kristo are all described by Hakstol as “dynamic” and should be contributors sooner than later. Cichy was the USHL playoff MVP last season and Knight was named the rookie of the year in the AJHL. Kristo, according to Hakstol, is one of the “most exciting players coming into college hockey.”

Not to be lost in the shuffle, Hakstol emphasizes, are Bruneteau and Rowney.

“Brett has the ability to be either a very good role player, as well as fill a skilled role if need be,” Hakstol said.

“Carter is a complete, two-way forward,” Hakstol said. “He has tremendous offensive ability and is extremely responsible defensively. We hope he can develop into a real two-way force for us.”

## THE SCHEDULE

In addition to the always-grueling WCHA schedule, UND faces another daunting non-conference schedule in 2009-10.

The Sioux will host the Subway Holiday Classic in Grand Forks Nov. 27-28, a tournament that will feature 2009 NCAA Frozen Four participants Bemidji State and Miami, as well as perennial national contender Ohio State.

UND will also compete in Notre Dame’s Shillelagh Tournament Jan. 2-3, which also features Niagara and Colgate.

The Sioux will open the regular season Oct. 9-10 at home against Merrimack, and will travel to Cornell Jan. 22-23.

For Hakstol, putting together a strong non-conference schedule is key for three reasons.

“First, you always consider national positioning,” Hakstol said. “This is a schedule, albeit a tough one, that gives us the opportunity to play a nice mix from different leagues around the country.

“Second, we want to play a strong enough schedule that it will challenge us to build and improve our team.

“Third, we have the best fans in college hockey. They sell our building out every night. We want to put a good product on the ice, including the opposition.”

**A**fter four consecutive trips to the NCAA Frozen Four, the Fighting Sioux made the 2008-09 season one to remember for a different reason: a stirring MacNaughton Cup championship as Western Collegiate Hockey Association regular season champions.

For UND, which finished 24-15-4 overall and 17-7-4 in WCHA play, it was a league-record 14th MacNaughton Cup and first since 2002-03.

The road to the title, however, was a hardly a smooth one. UND opened the season with three straight losses for the first time in 1994-95 and at one point were 5-8-1 and seemingly out of the MacNaughton Cup race.

However, the Sioux came flying out of the gates once the calendar turned to 2009, rattling off a 13-2-3 tear to close out the regular season.

On March 1 against Colorado College, in UND's final regular season home game, junior forward **Darcy Zajac** (Winnipeg, Manitoba) scored at 3:25 of overtime to give the Sioux a 4-3 win and, most importantly, vaulted UND into first place in the WCHA for the first time all season.

The following Friday at Wisconsin, in the penultimate game of the regular season, junior forward **Chris VandeVelde** (Moorhead, Minn.) scored late in the third period to secure a 2-1 win for the Sioux, a victory that clinched the MacNaughton Cup championship.

UND would celebrate with the Cup in front of its home fans following a two-game sweep of Michigan Tech in the first round of the WCHA playoffs the following weekend.

Although the Sioux would have their season ended by New Hampshire in the first round of

the NCAA playoffs, the 2008-09 season will always be remembered for an amazing second-half turnaround that climaxed with a Cup celebration in front of the home fans.

### WITH HONORS

Junior D **Chay Genoway** (Morden, Manitoba) was named a second-team All-American by the American Hockey Coaches Association. He was also named WCHA Defensive Player of the Year, joining Matt Henderson (1997-98) and Brad Williamson (1998-99) as the only players in Sioux history to win the award. Genoway was also named to the All-College Hockey News second team for the second straight year and was an All-WCHA first team selection.

Genoway was also named to the *ESPN the Magazine* Academic All-America third team, joining former goalie Karl Goehring as the only Academic All-Americans in team history.

For the third straight season, senior F **Ryan Duncan** (Calgary, Alberta) was named to the All-WCHA team, earning second team honors after leading the Fighting Sioux in nearly every offensive category this season. Duncan was also named to the Inside College Hockey All-America third team.

Freshman G **Brad Eidsness** (Chestermere, Alberta) was named to both the All-WCHA third team and the All-WCHA rookie team. He became UND's first all-rookie selection since 2005-06 and joined Karl Goehring (1997-98) and Toby Kvalevog (1993-94) as the only Sioux goalies ever to be named to the squad.

Head coach **Dave Hakstol** was named WCHA Coach of the Year for the first time in his career, the first Sioux coach to win the award since Dean Blais in 2000-01.

Additionally, for the fifth time in his five seasons as UND head coach, Hakstol was named a finalist for the Spencer Penrose

Award as national coach of the year after guiding the Sioux to a WCHA regular season title and a berth in the NCAA tournament.

Hakstol won his 200th game as Sioux head coach when UND defeated Minnesota 6-3 on Jan. 10 and will enter the 2009-10 season with 130 career wins, fourth-most in program history.

### POLL POSITION

UND was ranked No. 7 in the final USCHO.com/CBS College Sports Poll, which was released prior to the NCAA tournament.

The Sioux were ranked 13th in both the *USA Today/USA Hockey Magazine* poll and the Inside College Hockey power rankings, both of which were released following the NCAA Frozen Four.

### HOME SWEET HOME

The Fighting Sioux set a team record by averaging 11,719 fans in the 11,634-seat Ralph Engelstad Arena, surpassing the previous record of 11,709 set in 2007-08.

UND sold out 16 of its 19 home games in 2008-09, including every home WCHA game, and won its 100th game in the new Engelstad Arena when it defeated Minnesota 6-3 on Friday, Jan. 10.

UND finished 14-3-2 at home and went unbeaten in their last 13 games (11-0-2) at Ralph Engelstad Arena.

Since January 2008, the Sioux are 24-4-4 (.813) in the friendly confines of "The Ralph."

Forward Ryan Duncan, the 2007 Hobey Baker Award winner, led the Sioux in scoring in 2008-09 and earned his third straight All-WCHA nod.

Defenseman Zach Jones played in more games (168) than any defenseman in Sioux hockey history.

### EIDS WIDE SHUT

Freshman G **Brad Eidsness** (Chestermere, Alberta) emerged as one of the top goalies in the WCHA in 2008-09, earning All-WCHA third team and All-WCHA Rookie team honors.

Eidsness went 24-12-4 to join Ed Belfour (29, 1986-87) and Karl Goerhing (23, 2007-08) as the only rookie goalies in Sioux history to win 20 games. He appeared in the final 40 games of the season and started the last 34, both UND freshman records.

Eidsness' 41 total appearances were one shy of the school record set in 2007-08 by Jean-Philippe Lamoureux.

Eidsness led the WCHA in wins (24), overall winning percentage (.650) and WCHA winning percentage (.731).

### SECOND HALF SURGE

North Dakota continued its trend under head coach Dave Hakstol of strong second half play.

During Hakstol's tenure, the Sioux have a .702 winning percentage (77-28-13) in games played after Jan. 1:

2004-05: 12-8-3  
2005-06: 16-8-0  
2006-07: 15-4-4  
2007-08: 19-4-3  
2008-09: 15-5-3

UND has a .554 winning percentage (53-42-6) in games played prior to Jan. 1 under Hakstol.

Ryan Martens was the second member of his family to play at UND, following in the footsteps of his uncle, Erwin Martens (1976-80).

## TITLE TIDBITS

UND's WCHA regular season championship was the 14th in program history, the most of any team in the conference.

It was the first MacNaughton Cup for the Sioux since 2003-04, when head coach Dean Blais won it with a team that featured seven future NHLers: Brandon Bochenski, Matt Greene, Matt Jones, Zach Parise, Chris Porter, Matt Smaby and Drew Stafford.

The 2008-09 title was also the first under fifth-year head coach Dave Hakstol. UND has finished progressively higher in the WCHA standings each year under Hakstol, placing fifth in his first season in 2004-05, fourth in 2005-06, third in 2006-07 and second in 2007-08 before claiming the championship last season.

## ZA WHAT?!

The Sioux went 4-0-1 when junior F **Darcy Zajac** (Winnipeg, Manitoba) scored a goal and remained unbeaten all time when the 6-1, 195-pounder finds the net, running their record to 13-0-2 during games in which Zajac scores a goal.

Zajac scored a career-high 17 points in 2008-09, including a career-high 12 assists.

## WE ARE FAMILY

UND's 2008-09 roster included an astounding eight players who have had family members previously play for the Fighting Sioux: defensemen **Chay Genoway** (Jr., Morden, Manitoba) and **Zach Jones** (Sr., Lisle, Ill.) and forwards **Ryan Martens** (Sr., Selkirk, Manitoba), **Mario Lamoureux** (Fr., Grand Forks), **Darcy Zajac** (Jr., Winnipeg, Manitoba),

**Ryan Duncan** (Sr., Calgary, Alberta), **David Toews** (Fr., Winnipeg, Manitoba) and **Brett Hextall** (Fr., Manhattan Beach, Calif.).

- Duncan's father, Bob, was a forward at UND from 1968-71 and scored 76 points in 88 career games.
- Genoway's brother, Colby, was a forward at UND from 2002-05 and scored 81 points in 115 career games. He most recently played for Manitoba of the American Hockey League.
- Hextall's great uncle, Dennis, was a forward at UND from 1964-66 and scored 101 career points in 63 career games. Hextall's hockey bloodlines extend to his father (Ron), grandfather (Bryan Jr.) and great grandfather (Bryan Sr.), each of whom enjoyed lengthy NHL careers.
- Jones' brother, Matt, was a defenseman for the Sioux from 2002-05 and scored 52 points in 162 career games. He now plays in the Phoenix Coyotes' system.
- Lamoureux's brother, Jean-Pierre, was a goalie at UND from 2004-08 and is the school's all-time co-leader in goals against average (2.14). His father, Pierre, was a goalie for the Sioux from 1979-82 and was a member of UND's 1982 NCAA championship team.
- Martens' uncle, Erwin, scored 99 points in 151 career games from 1976-80 and played on UND's 1980 NCAA championship team.
- Toews' brother, Jonathan, was a forward at UND from 2005-07, scoring 85 points in 76 career games and earning All-America honors in 2007. He is now the captain of the Chicago Blackhawks and was elected a starter in the 2009 NHL All-Star Game.
- Zajac's brother, Travis, scored 96 points in 91 games from 2004-06 and currently plays for the New Jersey Devils.

## FROM SEA TO SHINING SEA

So much for the notion that hockey is a "regional sport."

Feshman F **Brett Hextall** (Manhattan Beach, Calif.) became the first-ever California native to play hockey for UND in 2008-09.

A pair of Hextall's Sioux teammates already held similar distinctions. Senior D **Brad Miller** (Alpharetta, Ga.) was the first-ever Georgia native to play hockey for the Fighting Sioux and sophomore F **Brad Malone** (Miramichi, New Brunswick) was the first Sioux to hail from New Brunswick.

WESTERN COLLEGIATE HOCKEY ASSOCIATION

WCHA Commissioner  
Bruce McLeod

Spanning six decades and marking its 58th season of men's competition in 2009-10, the Western Collegiate Hockey Association continues to be defined by its history, its tradition and its continuing success.

From its founding days in 1951 as the Midwest Collegiate Hockey League (MCHL), on to the Western Intercollegiate Hockey League (WIHL) in 1958, and finally to the Western Collegiate Hockey Association (WCHA) in 1959, this prestigious athletic conference has developed and maintained a tradition of excellence that truly is second to none.

No Division 1 collegiate conference – in any sport – can top the impressive list of national scale accomplishments of the WCHA and its member teams. Since 1951, teams representing the men's WCHA have earned a record 36 NCAA (national) championships, finished as the national runner-up another 27 times, and qualified for a berth in collegiate hockey's national championship round – the NCAA Men's Frozen Four – in 53 of 57 seasons overall.

In addition to its unmatched team successes in national championship tournament play over the years, the Western Collegiate Hockey Association also owns an enviable reputation for producing outstanding coaches and student-athletes, with hundreds of its alumni tracking successes in both international and professional competition. On top of the more than 230 men's and women's league alumni who have Olympic experience playing for the likes of the USA, Canada, Italy, Norway, Austria, Germany, Sweden, Finland, and France, conference-member teams and players have also received additional international exposure on a regular basis since 1951. The men's WCHA has hosted touring teams from the USSR, Canada, Sweden, Czechoslovakia, Latvia, Germany, Italy, Finland, Norway, Switzerland, England and France and has also sent

WCHA All-Star Teams to Europe in both 1998 (Switzerland) and 2000 (Norway).

Just a few of the more than 400 past and present National Hockey Leaguers who have roots in the men's WCHA include the likes of legendary goaltenders Tony Esposito, Eddie Mio Glenn 'Chico' Resch and Mike Richter, defensemen Keith Magnuson, Lou Nanne and Curt Giles, and forwards Lou Angotti, Bill Masterton, Bill 'Red' Hay, Red Berenson, Glenn Anderson, Mark Johnson and Brett Hull. The current crop of WCHA stars playing in the NHL include the likes of Zach Parise, Dany Heatley, Mark Parrish, Jordan Leopold, Jason Blake, Tyler Arnason, Mark Stuart, Thomas Vanek, Andy Sutton, Bret Hedican, Matt Carle, Joe Pavelski, Jonathan Toews and Tom Gilbert. In the most recent season of 2008-09 alone, a total of 96 WCHA alums earned playing time in the NHL.

In terms of national attendance, the WCHA continue to set the pace among all Division 1 leagues. In the most recent 2008-09 season, Wisconsin (13,785/game), North Dakota (11,719/game) and Minnesota (10,022/game) ranked 1-2-3 in the nation in men's average home attendance, while Colorado College (5th), St. Cloud State (7th), Denver (10th), Minnesota State (15th) and Minnesota Duluth (16th) also ranked among the leaders. A year ago, the 2009 Red Baron WCHA Final Five (men's playoff championship) drew a total of 82,065 to the Xcel Energy Center, outdrawing the Big 10 Men's Basketball Tournament by nearly 14,000 fans.

In the final USCHO.com/CBS College Sports Div. 1 Men's Poll for 2008-09 (March 23) there were five WCHA-member teams ranked among the top 20 in Denver (4th), North Dakota (7th), Minnesota Duluth (8th), Wisconsin (17th) and Minnesota (19th) while both Colorado College and St. Cloud State also received votes.

In terms of individual honors, UW defenseman Jamie McBain was a Top 10 finalist for the 2009 Hobey Baker Memorial Award and was an All-American. Other men's players earning All-American honors were First Teamers Alex Stalock (G, UMD) and Ryan Stoa (F, UM) while Second Team members were Chay Ge-

noway (D, UND) and Chad Rau (F, CC). In the WCHA, Jamie McBain was tabbed the WCHA Player of the Year, J.P. Testwuide (D, DU) was the Outstanding Student-Athlete of the Year, Chay Genoway (D, UND) was the league's Defensive Player of the Year, Jordan Schroeder (F, UM) was the Rookie of the Year, Ryan Stoa (F, UM) was the league scoring champion, Alex Stalock (G, UMD) was the league goaltending champion, and Dave Hakstol (UND) was the men's Coach of the Year.

The men's and women's leagues had a combined 71 players named as prestigious WCHA Scholar-Athletes for 2008-09, with 35 of those being repeat honorees. The men's WCHA also had a record total of 107 student-athletes named to the 2008-09 All-WCHA Men's Academic Team.

In terms of exposure, more than 200 WCHA men's games were televised in 2008-09, including all five games live from the 2009 Red Baron™ WCHA Final Five by Fox Sports North. All four NCAA regionals, and all three games at the 2009 NCAA Men's Frozen Four in Denver were also televised live.

A quick look at the 2009-10 campaign will see the league involved in several showcase events. Among the highlights will be Denver's 60th Anniversary weekend celebration on Oct. 9-10, the opening of the MacNaughton Cup race on Oct. 16-17, Wisconsin hosting Michigan outdoors in the Camp Randall Hockey Classic on Feb. 6, the 2010 Red Baron WCHA Final Five set for March 18-20 at Xcel Energy Center in St. Paul, Minnesota hosting the 2010 NCAA West Regional at Xcel Energy Center on March 26-27 and the 2010 NCAA Men's Frozen Four at Ford Field in Detroit April 8-10.

Under the leadership and guidance of Commissioner Bruce M. McLeod and Associate Commissioner Sara R. Martin, prospects for another highly successful campaign for the WCHA in 2009-10 appear very bright. Defending WCHA regular season champions are North Dakota on the men's side and Wisconsin on the women's side while defending WCHA playoff champions are Minnesota Duluth on the men's side and Wisconsin on the women's side.

**B**ig-time hockey at the University of North Dakota, one of the most successful Division I programs in the United States, was the product of co-founders, the late Glenn "Red" Jarrett and Calvin Coolidge Marvin.

Marvin, a Warroad, Minn., native, who died on Sept. 5, 2004, recalled one of their early conversations: "Red said, 'Cal, get me a team, and I'll get you a schedule.' I said, 'Red, get me a schedule and I'll get you a team.'"

Glenn "Red" Jarrett

Both lived up to their promises, and UND now has seven national title banners flying in the new Ralph Engelstad Arena. Only Michigan has more, with nine, and the Wolverines won early titles before UND's schedule even qualified the Sioux for national competition and consideration.

Jarrett, an All-American halfback on UND's 1930 football team, was football coach and athletic director in the spring of 1947 when he made the move from club hockey. His decision was met with derision in Grand Forks, on and off the campus.

People wanted to know why UND needed another sport. Were not football and basketball – for men only at the time – enough?

Jarrett went ahead with his plan, anyway. He talked Fritz Crisler, the Michigan athletic director, into a two-game series against the Wolverines, in Ann Arbor at that. Jarrett also lined up other established college hockey programs for the first season – Minnesota, Colorado College and Michigan Tech.

Marvin, meanwhile, worked tirelessly recruiting players from northwestern Minnesota, particularly Warroad and Crookston. The Johnson brothers – Russell "Buzz" and Milton "Prince" – were already on campus, playing for the semipro Grand Forks Amerks. They were listed from Webster, S.D. (NBC anchor Tom Brokaw's home town), but they had grown up in Canada, and they could skate.

Bob Murray, like Marvin a World War II veteran, was brought in to play goalie. He was from Warroad, as were wings Gordon "Ginny" Christian, representing a famous hockey family, and Wes "Frisky" Cole, George Dickinson

and Ted Wilson. Standouts from Crookston included center Jim Medved, defenseman John Noah and wing Bill Sullivan.

Marvin, besides serving Coach Don Norman, formerly of Crookston Cathedral, as an assistant on the ice, was on defense, alongside Joe Silovich of Eveleth, Minn., who also played both halfback in football and the French horn in the symphony; and the McKinnon brothers, Dan and Paul, of Williams, Minn. Also in the front lines were Jim Doyle of Thief River Falls, formerly of Warroad; and Bob Krumholz of Hallock.

Art Foreman of Wahpeton, from the club team, backed Murray in goal and gave North Dakota representation on the original team, as did Robert "Monk" Monroe, student manager from Enderlin.

This, then, was a pickup team, wearing used UND football jerseys and other makeshift equipment – but not just any pickup team.

Its first college game was at Michigan, which went on to win the first National Collegiate Athletic Association hockey tournament, the idea of the Michigan coach, Vic Heyliger. The Wolverines lost only two games all season. One of them was the series opener against UND. The Sioux won, 6-5. Marvin said that he could not recall much about the game or the trip, but he did remember that Noah scored the winning goal.

There were not many fans at the Friday game, but the crowd was huge the second night, when Michigan gained revenge, 5-2.

Marvin had an explanation.

"Before the first game," he said, "they had never heard of us. In fact, the newspaper said that no one was sure which side of the Mississippi River North Dakota was on. They know now."

That first season, the Sioux played States-Dominion League semipro teams from Grand Forks and Thief River Falls, but they also compiled an 8-4 record against top college teams.

They split two-game series with Michigan, Minnesota and Colorado College and they

won three out of four from Michigan Tech. Home games were played in an unheated building, affectionately as "the barn." If the temperature was 20 below zero outside, it felt even colder inside.

After the Sioux returned by railroad from the upset of Michigan, Marvin recalled a history class taught by Elwyn B. Robinson, later author of "North Dakota History."

"The professor said, 'History was made over the weekend by our hockey team. Hockey players, please stand – Mr. Christian . . . Mr. Noah . . . Mr. Marvin.' It was something I won't forget."

Marvin's interest in hockey has been life-long. For half a century, he ran the Warroad Lakers, which played and beat Canadian opposition in a semipro league. The first indication of his devotion may have been when he enlisted in the U.S. Marines in World War II. On his \$10,000 GI (government issue) life insurance policy, he listed as beneficiary the indoor ice rink in Warroad.

The rink was built 50 years later, and it is a fine one. The project, however, did not benefit from Marvin's insurance policy, which has yet to be cashed in. Marvin was the guiding force in making sure that his home town possessed excellent hockey accommodations.

*The late Chuck Johnson, a Williston, N.D., native, graduated from UND in 1948. As a senior at the University, Johnson was the school's sports information director when UND went big-time in hockey. He went on to a career in journalism and was a long-time sports editor at the Milwaukee Journal. Johnson moved back to Grand Forks in December 2000 and did volunteer work for the athletic department and the Alumni Association and Foundation until his death in January 2005.*

The Winter Sports Building, affectionately referred to as the "Barn," was built in 1936. It was originally going to house indoor football and track practices. The unheated barn was home to UND hockey until 1972.

**Sept. 1946:** The University of North Dakota hired John C. (Jamie) Jamieson as hockey coach. Jamieson, a student at the university, led the first postwar team to a 7-6-0 overall record, playing area town and college teams. Jamieson's 19 player squad opened the season at home, Jan. 6, 1947, losing to St. Cloud Teachers, 8-1.

**Jan. 10, 1948:** UND crashes into the big-time of college hockey when it stuns the Michigan Wolverines 6-5 in Ann Arbor. Strong defense and a pair of goals each from John Noah, Gordon (Ginny) Christian and Jim Medved key the big win. Noah scores the winning goal at 19:14 of the third period. Bob Murray stops 34 Michigan shots in the UND nets.

**1951-52:** UND, a charter member of the Midwest Collegiate Hockey League, the forerunner of the WCHA, finishes the season with a 13-11-1 record under third-year head coach Cliff "Fido" Purpur by sweeping four games from Michigan Tech and splitting with Minnesota and Michigan.

**March 15-16, 1958:** Seven different Sioux score as UND routs Harvard, 9-1, in Minneapolis, in its first ever trip to the NCAA semifinals. WIHL foe Denver, however, tops the Sioux 6-2 in the championship game leaving the Sioux players with unfinished business heading into the 1958-59 season.

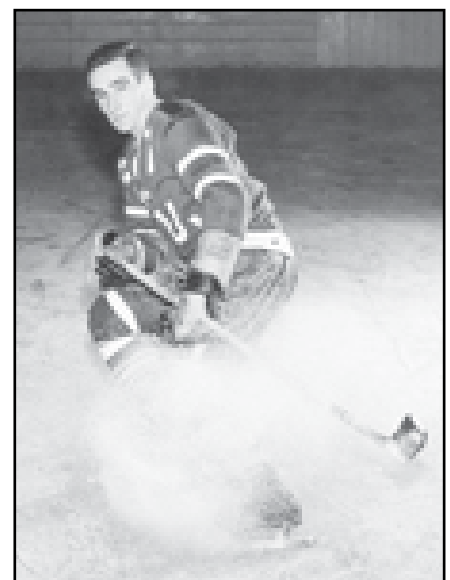

**March 12-14, 1959:** UND wins its first national championship by virtue of two action-packed 4-3 overtime thrillers at RPI in Troy, N.Y. Guy LaFrance's goal at 4:22 of sudden death overtime eliminates St. Lawrence in the semifinal game. Reg Morelli tallies a pair of goals, and Art Miller and Ed Thomlinson one each in the St. Lawrence game. Morelli duplicates LaFrance's OT heroics when he scores at 4:18 of the first overtime period in the championship game against Michigan State, giving the Sioux a 4-3 win. The Spartans lead 1-0 after one period, but the Sioux go up 3-1 in the second on goals by Ralph Lyndon, Jerry Walford and Stan Paschke. State ties it late in the third, setting the stage for Morelli's dramatic shot over the sprawling Spartan goalie Joe Selinger, who records 26 saves. George Gratton stops 21 MSU shots. Morelli is tourney MVP.

**Dec. 30, 1960:** UND drops a hard-fought 4-3 decision to the touring USSR All-Star team, the top players in the Soviet Union, when the Soviets score at 7:38 of the third period. The game marks the first time UND has met a European team and is played before 3,000 spectators. Dave Merrifield and Bill Colpitts give UND a 2-1 first period lead. Whitey White sends UND ahead 3-2 midway through the second period. George Gratton records 24 saves in the Sioux nets. The USSR goalie has 21 stops.

UND races to a 5-2 first period lead over Denver to win its second NCAA title on goals by Don Stokaluk, Al McLean, Ernie Dyda, Stokaluk and Jack Matheson. McLean, who is named tourney MVP, scores the winning goal at 5:01 of the second period to make the final score 6-5. UND's Joe Lech makes only 11 saves in the game, while Rudy Unis of Denver has 32.

Tim Delmore was in the nets for the Fighting Sioux and Rube Bjorkman was overseeing the bench.

The Grand Forks Herald devoted the front page of its sports section to Ryan Duncan on Saturday, Apr. 7, 2007, after it was announced the day before that Duncan had received the 2007 Hobey Baker Memorial Award. Duncan speaks to the media (below) after receiving the Hobey Baker Award.

Tony Hrkac won the 1987 Hobey Baker Memorial Award after leading North Dakota to the NCAA title and setting a national record for points in a season with 116, a record that still stands.

**NOTE:** There was no official league affiliation in 1958-59. The WIHL had disbanded for a variety of reasons in March 1958 after several members withdrew their membership. This 1958-59 agreement proved unsatisfactory and after the 1958-59 season, the Western Collegiate Hockey Association (WCHA) was organized.

The 2009-10 season marks the sixth year for UND's National Alumni Hockey Committee – created for the purpose of building and maintaining the strong tradition of excellence in the Fighting Sioux hockey program.

The committee was established within the University of North Dakota Foundation to improve the communication, involvement and support of former Fighting Sioux hockey players and friends.

The intention of the National Alumni Hockey Committee is to develop a system of networking with as many letterwinners as possible that will encourage former UND teammates and fellow letterwinners to become more involved with UND hockey and to participate in alumni events.

The group also intends to set up a series of UND "Alumni Ambassadors" to assist with the networking program, and to arrange hockey letterwinner events around the country and team reunions during Hockey Hall of Fame weekend.

Jeff Bowen

The committee was formed by Jeff Bowen, former development officer for the UND Foundation. Bowen played on UND's 1987 national championship team and later was an assistant coach for the 2000 NCAA national championship UND Fighting Sioux hockey team.

An executive committee and series of sub-committees will complete the actual work of the committee.

The chairman of the UND National Alumni Hockey Committee is Erwin W. Martens, a winger for the Sioux on their 1980 national championship team. Martens, a native of Cartwright, Manitoba, was an alternate captain on that team. He received degrees from UND in 1983 and 1985. A resident of Sudbury, Mass., he currently is the Chief Risk Officer for TIAA-Cref, one of the largest financial service providers in the world.

Chairman  
Erwin Martens

Co-chairs of the committee are Jeff Bowen, Paul Chadwick and Tarek Howard.

Also on the executive committee are UND head coach Dave Hakstol, associate head coach Cary Eades and assistant coach Dane Jackson.

In addition to the executive committee, individual sub-committees have been suggested. Possibilities include local sub-committees in Grand Forks and other areas of the country with a strong Sioux hockey following and an at-large sub-committee.

The role of the sub-committees would be to plan get-togethers in local areas and provide input and feedback to the executive committee. Mission and vision

Martens said, "Our mission is to improve the communication, involvement and support of the former Fighting Sioux hockey players and friends."

Bowen added, "It is our vision that the UND National Alumni Hockey Committee be recognized as one of the best in the country."

Bowen said several factors will allow this to happen:

- The rich tradition and history of the Fighting Sioux hockey program.
- The reputation and recognition of the program both nationally and internationally.
- The loyal following and strong tradition of the program that will provide a solid foundation for future success.
- The program's solid and well-respected coaching staff, an excellent facility and the continued recruitment of quality players.

Many activities are being planned by the National Alumni Hockey Committee, to include:

- Meeting at Hockey Hall of Fame weekends each fall for an update on the UND Fighting Sioux Hockey team and to discuss ideas for the future.
- Arranging hockey letterwinner events around the country, such as pre-game socials and golf events.
- Setting up a system whereby a UND "Alumni Ambassador" can assist hockey letterwinners and current players with career opportunities and networking.
- Assisting the UND Alumni Association with team reunions, as well as the Hall of Fame nomination and induction process.

Other plans of the UND National Alumni Hockey Committee include listing information about activities of the committee on the UND alumni website, with links to the athletic department website, and setting up an e-mail list of letterwinners and possibly even a place to post resumes.

**FORMER SIOUX GREAT AND NHL VETERAN DIXON WARD  
INDUCTED INTO UND ATHLETICS HALL OF FAME**

**F**ormer forward Dixon Ward, the only player in the storied history of Fighting Sioux hockey with 100 goals and 100 assists, was one of four inductees into UND's Letterwinners Athletics Hall of Fame in 2009.

*Hall of Famer  
Dixon Ward*

Ward and the entire Class of 2009 was inducted into the UND Hall of Fame on Oct. 31 at the 35th annual induction ceremonies.

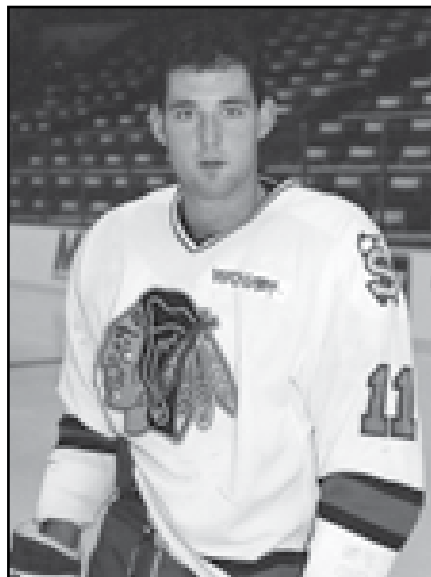

A native of Leduc, Alberta, Ward graduated as the program's all-time leader in career games played (since broken) and amassed 110 goals

and 109 assists for 219 points in 163 career games.

When he graduated following the 1991-92 season, only one other player in school history had scored more career goals and only one other had scored more career points.

*Dixon Ward*

*Dixon Ward*

Despite having graduated nearly two decades ago, Ward remains ranked second all-time at UND in goals and power-play goals (40) and is ranked fourth in points.

Ward was named to the All-Western Collegiate Hockey Association second team as a junior and senior and was a three-time member of the All-WCHA Academic team.

A seventh-round draft pick (128th overall) of the Vancouver Canucks in 1989, Ward went on to enjoy a 10-year National Hockey League career with Vancouver, Los Angeles, Toronto, Buffalo, Boston and the New York Rangers, reaching the Stanley Cup Finals in 1999 with Buffalo.

Ward retired from the NHL having scored 224 points (95 goals, 129 assists) in 537 career games. His best individual season came during his rookie year of 1992-93, when he scored 22 goals and 30 assists in 70 games for Vancouver.

Other members of the UND Letterwinners Athletics Hall of Fame Class of 2009 include Shannon Burnell (Football, 1990-93), Mikki Cochrane (Softball, 1993-95), Janine Etchepare (Swimming, 1988-91) and the 1993 Sioux football team.

Longtime boosters Pete and Eunice Kuhn received the Honorary Letterwinners Award.

**TONY COUTURE RECEIVES  
TOM CLIFFORD AWARD**

Little Falls (Minn.) High School boys hockey coach Tony Couture received the prestigious Tom Clifford Award and the 35th annual UND Letterwinners Athletics Hall of Fame ceremony in Grand Forks on Oct. 31, 2009.

The Tom Clifford Award was established to honor former UND President Thomas J. Clifford and his long-time support of UND athletics. The award recognizes UND alumni who serve as athletic coaches at the high school or college level and have been notably successful in their sport the year preceding the award.

Couture recently completed his 16th year as head coach at Little Falls and in 2008-09 he led the Flyers to a 30-1 record and a third-place finish at the state tournament.

Couture has guided the program to the state tournament in each of the last five seasons and a 102-15-2 record over the last four.

Couture, a goalie at UND from 1988-91, lettered in each of his three seasons and appeared in 59 career games.

Originally from International Falls, Minn., Couture went 34-16-3 at UND and his lifetime winning percentage of .670 ranks seventh all-time in Sioux hockey history.

The 2009 Subway Holiday Classic boasts what is undoubtedly the most competitive four-team field in the young history of the tournament.

A pair of 2009 NCAA Frozen Four participants -- national runner-up Miami and national semifinalist Bemidji State -- join 2009 NCAA tournament qualifier Ohio State as the three visiting teams to this year's event.

Miami and Ohio State are both first-time participants in the Subway Holiday Classic, while Bemidji State returns for its second appearance. The Beavers took part in the inaugural Classic in 2002-03, falling 4-3 in the championship game to the host Sioux.

The 2009 season marks the first time the event will use a "Classic" format, with each of the four matchups pre-determined. The first two years of the event used a "tournament" format, with the host Sioux winning the championship both years.

In each of the last five seasons, UND hosted a non-conference opponent for a two-game series during the Subway Holiday Classic.
